Jersey Cape Colony's Patriot to Passenger Project

The Society of Mayflower Descendants
in the State of New Jersey

- Mayflower Society's Honor Roll of descendants who are Patriots of the American Revolution
- JCC effort to ensure the names of qualifying ancestors of its members, past and present, are included on the Honor Roll by July 4th, 2026, the 250th anniversary of the official start of the American Revolution
- To be listed the ancestor must be a certified Mayflower descendant **and** have been recognized as a Patriot by either the DAR or the SAR
- Need 2 or 3 volunteers to assist in reaching out to JCC members, the DAR and the SAR in compiling the lists
